STERLINGMONT
CAPITAL

AUSTRALIAN PRIVATE CAPITAL

# Strategic Capital. Enduring Value.

A clear perspective.
A longer horizon.

CORPORATE INTRODUCTION

## Capital with purpose.

Sterlingmont Capital is an Australian private capital firm focused on raising and deploying private capital with a long-term perspective.

Our model brings capital partners and investment opportunities together through considered structures and a disciplined assessment of risk, commercial fundamentals and alignment.

---

01

Considered capital

02

Aligned interests

03

Long-term perspective

DISCIPLINE. ALIGNMENT. PERSPECTIVE.

# Thoughtful capital. Shared ambition.

Enduring value starts with understanding what capital needs to achieve - and the people, assets and businesses behind it.

INVESTMENT FOCUS

## Opportunity, examined.

### Business growth

Capital for commercially grounded expansion, ownership transitions and business development.

### Asset-backed opportunities

Assessment of tangible assets, underlying economics, structure and potential downside.

### Special situations

Patient analysis and tailored capital structures for complex or transitional circumstances.

Illustrative focus areas for this draft, subject to confirmation. Not current mandates, holdings or investment offers.

INVESTMENT APPROACH

## Clarity at every stage.

01 **Understand**
Define the purpose, requirements and stakeholder objectives.

02 **Assess**
Examine fundamentals, governance, risks and alternative scenarios.

03 **Align**
Consider structure, responsibilities and expectations before commitment.

04 **Oversee**
Establish a framework for reporting, monitoring and review.

STRATEGIC PARTNERSHIPS

## A considered conversation starts here.

We welcome dialogue with capital partners, business and asset owners, and professional advisers around clearly defined objectives.
